## STEP 1. MAKE FANCY HALF SQUARE TRIANGLES (FHST)

Place the Fabric 2 with RST (right sides together) on top of the Fabric C square. Sew along short edge. Press open.

Place a second Fabric B triangle with RST (right sides together) on top of the Fabric 2 & 3 unit so that the short edge is to the left of the piece just sewn. Sew along short edge. Press open and you should have a triangle (see illustration above).

Place a Fabric 1 triangle on top of the unit formed above with RST and sew along the long edge (the bias edge). Press open. You now have a Fancy Half Square Triangle. Trim to 4.5" for the 12" block (Trim to 6.5" for the 18" block).

Repeat for the remaining Fabric 3 squares and Fabric 5 squares. So that you have 4 FHST with Fabric 3 and 4 FHST with Fabric 5.

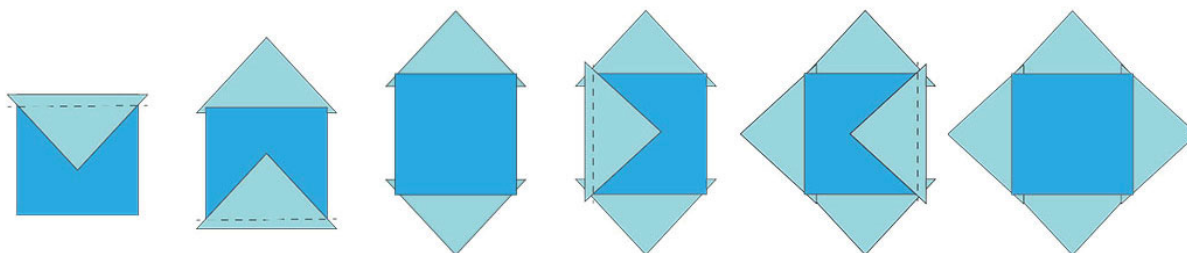

## STEP 2. MAKE CENTER POINT SQUARES

For the center point squares of the block you will need [1] Fabric 4 Square and [4] Fabric 3 Triangles.

Sew the Fabric 3 triangles to the top and bottom of the center square (using  $\frac{1}{4}$ " seam) along the long edge of the triangles. Press open.

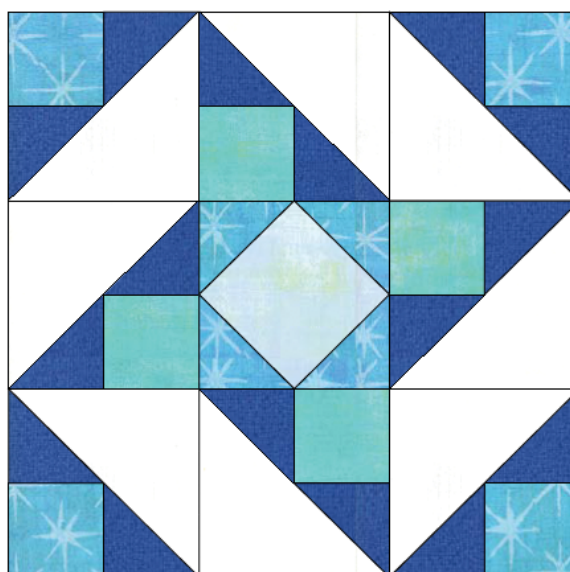

Sew the last two Fabric 3 fabric triangles to the left and right of the center square sewing (using  $\frac{1}{4}$ " seam) along the long edge of the triangles. Press open.

The completed Center Point Squares should be trimmed to 4.5" for 12" Block and 6.5" for the 18" Block.

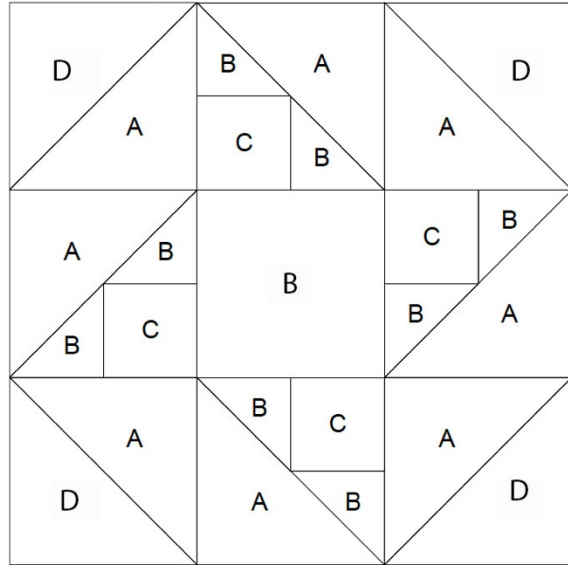

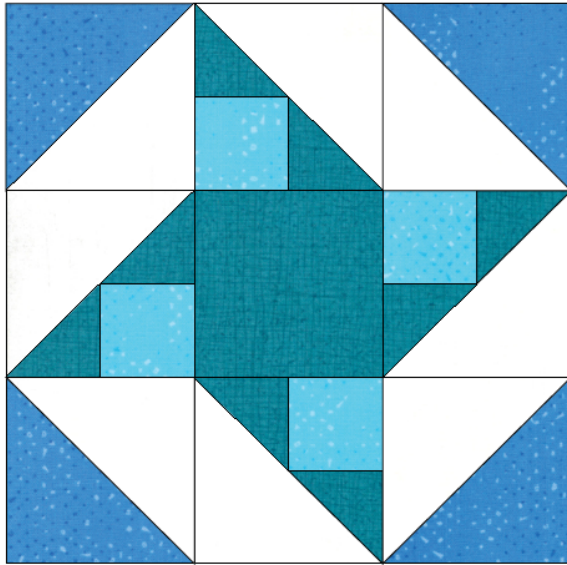

## STEP 3. ASSEMBLE THE BLOCK

Join blocks units as shown. Trim the block to 12.5" or 18.5" unfinished block size
