Countdown to Christmas: Snow Storm

STEP 1. MAKE HALF SQUARE TRIANGLES

Draw a diagonal line from corner to corner on the wrong side of the Fabric 3 squares. Place the square of Fabric 1 right sides together with a square of Fabric 4. Sew $\frac{1}{4}$ " away from each side of the marked line. Trim apart on the line and press. Trim to square. See chart below for the directions for the fabric combinations and HST trimming based on block size you are making.

	12" BLOCK (trim to 2½" square)	18" BLOCK (trim to 3½" square)

FABRIC 2 + 4	make 4	make 4
FABRIC 3 + 4	make 4	make 4

STEP 2. ASSEMBLE BLOCK

Join blocks units as shown. Trim the block to 12" or 18" unfinished block size.
