## STEP 1. MAKE CORNER UNITS

Join Fabric A rectangles with Fabric B squares as shown.

Make 4

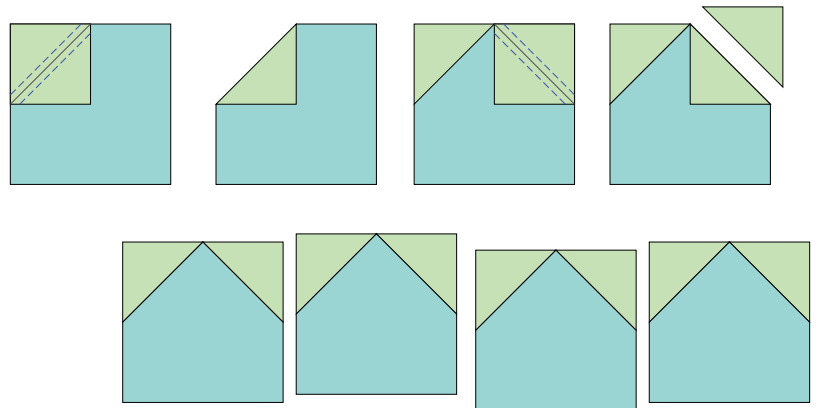

## STEP 2. MAKE PETALS

Using the Easy Corner Triangles method, make petals:

Mark a diagonal pencil line on the wrong side of the Fabric B squares. Line up with the corner of the Fabric C square. Sew on the marked line. Trim  $\frac{1}{4}$ " away from the sewn line and press. Repeat on the adjacent corner.

Make 4.

## STEP 3. MAKE CENTER

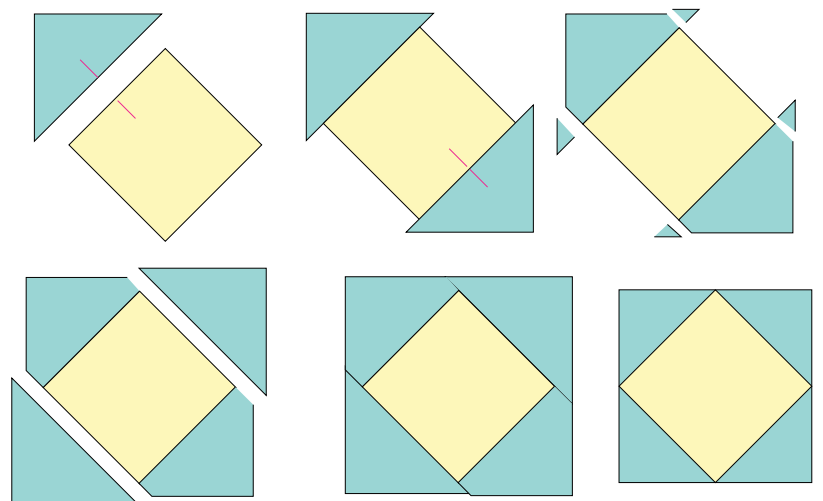

The center of the block is a square in square (also known as an economy block).

To make the center, fold Fabric D square in half and finger press to mark the center of one side. Repeat with the long edge of one Fabric C triangle. Match the marked centers and pin. Sew together. Press. Repeat on the opposite side.

Trim excess fabric.

Repeat the process to add triangles to the remaining corners.

Trim block to  $4\frac{1}{2}$ " square.
