Using the previous instructions, make the following number of flying geese blocks (NOTE: Don't fret about print direction, all the prints will be going multiple ways in the finished quilt):

**MAKE SIDE BORDERS**

Piece (4) columns of (5) flying geese as shown below. Press seams towards black block.

Join sets of (2) columns into (2) units as shown. Press seam open.

If you have a preference, designate which border will be left and right. Piece (1) 20 1/2” x 2 1/2” rectangle to outside long edge of each unit. Press seams away from flying geese.

**PIEcing INSTRUCTIONS**

all seam allowances 1/4" unless otherwise noted

**MAKE FLYING GEESE**

GENERAL INSTRUCTIONS: These are the general instructions for making flying geese 4 at a time. In the following section are the quantity requirements. See diagrams at top of next column.

Collect (1) 5 1/4” square and (4) 2 7/8” squares. Draw diagonal line on wrong side of all 2 7/8” squares. Place (1) 2 7/8” square in both upper left and lower right corners of 5 1/4” square, right sides together (RST) and with outer edges aligned (smaller squares will overlap in middle). Pin. Stitch 1/4” to either side of line.

Cut apart along marked lines and press small triangles away from larger triangle. Place one 2 7/8” square in remaining corner of one triangle unit, RST, with marked line as shown. Stitch 1/4” to each side of line.

Cut apart along line and press smaller triangle away from larger. Repeat with other triangle unit and square for a total of 4 flying geese blocks. Trim off all seam allowance points. Blocks should measure 2 1/2” x 4 1/2”.

---

**RS2033-16**
Cut (4) 5 1/4” squares, (2) 20 1/2” x 2 1/2” rectangles, (2) 12 1/2” x 2 1/2” rectangles, and (4) 2 1/2” squares. Follow layout for either 1/4 yd or fat quarter below.

<table>
<thead>
<tr>
<th>1/4 yd</th>
</tr>
</thead>
<tbody>
<tr>
<td>5 1/4” x 5 1/4”</td>
</tr>
<tr>
<td>5 1/4” x 2 1/2”</td>
</tr>
<tr>
<td>12 1/2” x 2 1/2”</td>
</tr>
</tbody>
</table>

---

**RS2037-11**
Cut (40) 2 7/8” squares

**RS2036-11M**
Cut (1) 5 1/4” square

**RS2033-14**
Cut (2) 5 1/4” squares

**RS2033-11**
Cut (1) 5 1/4” square

**RS2035-16M**
Cut (2) 5 1/4” squares

**RS2032-11M**
Cut (4) 4 1/2” squares

**RS2029-13**
Trim panel to 1 2 1/2” x 20 1/2”.

Tip: To ensure design stays centered, fold in half vertically with design aligned, align fold with 0 on mat, and trim at 6 1/4”; fold in half horizontally, align fold with 0 on mat, and trim at 10 1/4”.

---

**MAKE FLYING GEESE**

GENERAL INSTRUCTIONS: These are the general instructions for making flying geese 4 at a time. In the following section are the quantity requirements. See diagrams at top of next column.

Collect (1) 5 1/4” square and (4) 2 7/8” squares. Draw diagonal line on wrong side of all 2 7/8” squares. Place (1) 2 7/8” square in both upper left and lower right corners of 5 1/4” square, right sides together (RST) and with outer edges aligned (smaller squares will overlap in middle). Pin. Stitch 1/4” to either side of marked lines.

Cut apart along marked lines and press small triangles away from larger triangle. Place one 2 7/8” square in remaining corner of one triangle unit, RST, with marked line as shown. Stitch 1/4” to each side of line.

Cut apart along line and press smaller triangle away from larger. Repeat with other triangle unit and square for a total of 4 flying geese blocks. Trim off all seam allowance points. Blocks should measure 2 1/2” x 4 1/2”.

---

**MAKE SIDE BORDERS**

Piece (4) columns of (5) flying geese as shown below. Press seams towards black block.

Join sets of (2) columns into (2) units as shown. Press seam open.

If you have a preference, designate which border will be left and right. Piece (1) 20 1/2” x 2 1/2” rectangle to outside long edge of each unit. Press seams away from flying geese.
MAKE TOP & BOTTOM BORDERS

Piece (4) rows of (3) flying geese as shown below. Press seams towards black block.

Join sets of (2) rows into (2) units as shown. Press seam open.

If you have a preference, designate which border will be top and bottom. Piece (1) 12½" x 2½" rectangle to outer long edge of each unit. Press seams away from flying geese.

MAKE TOP & BOTTOM BORDERS

Collect (1) 2½" square, (1) 4½" square, and (2) black flying geese. Join 2½" square to one flying geese as shown. Join 4½" square to one flying geese as shown. Press seams towards squares. Join pieced units to make star corner as shown. Press seams towards large square.

Repeat to make (2) each of the configurations shown below.

ASSEMBLE & FINISH

Piece right and left border to right and left edge of panel. Press seams towards panel. Piece top and bottom border to top and bottom of panel and sides. Press seams towards panel.

Baste, quilt and bind as desired.

MAKE 4

MAKE 2

TOP

BOTTOM

Collect (1) 2½" square, (1) 4½" square, and (2) black flying geese. Join 2½" square to one flying geese as shown. Join 4½" square to one flying geese as shown. Press seams towards squares. Join pieced units to make star corner as shown. Press seams towards large square.

Repeat to make (2) each of the configurations shown below.

YOU DID IT! YOU MADE A PURL PANEL QUILT!!

Be sure to use #rubystarsociety, #sarahwattspanel and #purlfabric when sharing your creations so we can see them!

RU® BY S TA R SO CI E T Y

@rubystarsociety
@wattsalot
Use Sarah Watt's Purl panel to make this cute wall hanging. Each panel comes with three different designs, so feel free to use your favorite if it's different than the one shown in illustrations!

All fabrics are from Purl by Sarah Watts for Ruby Star Society.

**FABRIC REQUIREMENTS**

FQ=fat quarter (18" x 21")  F8=fat eighth (9" x 21")

- RS2033-16  ¼ yd or FQ
- RS2037-11  ¼ yd or FQ
- RS2033-14  F8
- RS2032-11M F8
- RS2035-16M F8
- RS2033-11 F8 or 6" square
- RS2036-11M F8 or 6" square
- RS2029-13 ½ yd (1 panel)

**BINDING:** ½ yd  
**BACKING:** 1 yd  
**BATTING:** at least 30" x 38"
