FIELDS OF COLOR LAYOUT DIAGRAM

The numbers on the diagram are the CUT size of the pieces.

Sew the correct pieces together to make the side and top and bottom strips. Then start with the center rectangle and sew in a log cabin style by adding the sides then top and bottom, then sides and top and bottom. Continue sewing in this manner until the top is finished. A simple quilting design is perfect for the scrappy look of the quilt. Or, stitch in the “ditch” between each square. Bind and enjoy!
