**Finished Quilt Block: 14" x 14"**

# FABRIC REQUIREMENTS & PREPARATION

## FABRIC REQUIREMENTS

- One Mini Charm pack of Ginigber's Bee Garden
- One 14 ½" x 14 ½" square of Bella Solids in Porcelain (or preferred background fabric)
- Optional: (35) 1" Hexie Templates

The Bee Garden Mini Charm Quilt Block mixes English Paper Piecing (EPP) Hexies and applique techniques.

## INSTRUCTIONS

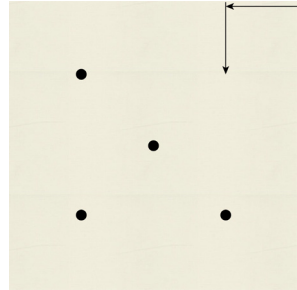

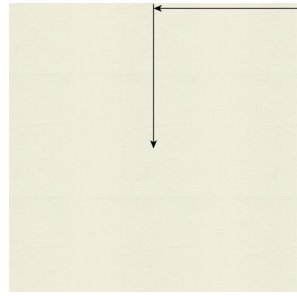

### PREPARE HEXIES

1. Select (35) squares from the mini charm pack.
2. If not using Hexie templates, use the templates provided on Page 3 to create (35) 1" hexie papers.
3. Baste (35) 1" Hexies using your preferred method (thread or glue stick).
4. Layout the (35) Hexies to create (5) flowers using the diagram below as a guide. When happy with the layout, snap a picture to use a reference and continue with the instructions.
5. Remove any paper templates from the hexies.

## APPLIQUE FLOWERS

6. Take the  $14 \frac{1}{2}$ " x  $14 \frac{1}{2}$ " square and find the center by measuring  $7 \frac{1}{4}$ " along the top and then  $7 \frac{1}{4}$ " down. Mark the center point of the square.
7. Next, find the center point of the other (4) flowers. Measure  $3 \frac{5}{8}$ " along the top from the right, and then  $3 \frac{5}{8}$ " down. Mark this spot.
8. Repeat Step 6 on the remaining three corners of the square.

9. Gather the (7) hexies identified for the center flower. Using a washable glue stick or basting spray, layout the hexies in the shape of the center flower, centering the middle hexie on the center mark. Use the diagram below as a guide.
10. Then applique onto the square using your preferred applique method.  
*Note: Either hand stitch or machine stitch the hexies, ensuring all edges are securely stitched.*

11. Repeat Steps 8-9 for the remaining (4) flowers.
12. Congratulations, your beautiful quilt block is finished!
