MODA PRE-MADE BIAS

For some quilters, making the binding is akin to ending a meal with a home-made dessert. For others, a pint of fancy ice cream is an even better choice. When you want a beautiful binding, and you want it fast, Moda's pre-made binding is the perfect choice! There are also more than thirty-one flavors.

Measuring 2.5" wide with a folded width of 1.25", there are bindings made with Designer prints, batiks, Grunge, Marbles, and our Bella Solids. Moda binding comes on individual 40-yard reels, or in a variety of assortments that include a free display rack.

With so many options, Moda bias just might become your most favorite part of making a quilt. For more details contact your Moda Rep or visit modafabrics.com/QB2
