

FEATURING ARTWORK FROM
GINGIBER

Hi, my name is
Stacie Bloomfield

I'm an illustrator, entrepreneur, and mom of 3 with over 14 years of experience running a thriving illustration business.

My company, Ginger, produces items sold in over 1000+ retail stores and I have licensed my artwork to companies over the years such as Moda Fabrics, William Sonoma, Crate and Barrel, Sellers Publishing, Creative Co-Op, and more.

My number one goal is to create artwork and products that encourages and inspires you to live your most full, creative life. I like to say that Ginger adds "Zest To Your Nest".

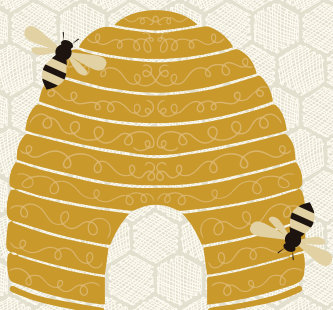

"I went from being a coffee shop manager to running a 7-figure illustration and product studio!"

I began selling my artwork online and exploring licensing, wholesale, and book illustrations. 14 year later, I now license my art to major companies, sell my products in many retail stores, teach thousands of creative entrepreneurs, and lead a talented team through my education course called

Leverage Your Art.
