31 BLOCKS.
10 BELLA SOLIDS.
1 BEAUTIFUL PROJECT.

Bella Solids

COTTON COUNCIL INTERNATIONAL CERTIFIES THAT BELLA SOLIDS ARE WOVEN FROM 100% COTTON GROWN IN THE USA.

The My Favorite Color Is Moda Sampler celebrates all things Bella Solids. With a variety of block sizes from 9" to 36", this project is the perfect way to play with color in your sewing practice.

Why Bellas?

Available in 324 colors and counting, Moda's Bella Solids are woven from 100% cotton grown in the USA, certified by the Cotton Council International.

CUTTING DIAGRAMS

It is strongly recommended cut your fabric before starting on sewing, and group together by block number. Also, it's handy to save a scrap of each of your fabrics to mark Fabric 1, Fabric 2, etc. just in case you need a reference when you go looking for the right pieces for each block.

Each cutting chart lists the **STRIP WIDTH TO CUT** across the top, and **WIDTH OF FABRIC** down the side. Selveges run horizontally on top and bottom of the chart. Numbers on each piece note the block number where they'll be used.

In addition to the fabric cutting shown in this booklet, we've made **ALTERNATE CUTTING DIAGRAMS** if you prefer to get your fabric block-by-block. Say you want to substitute Fabric 3 in Block 1, we'll tell you exactly how much fabric you need and how to cut it. Just check with your local shop!

ALTERNATE BLOCK-BY-BLOCK CUTTING & FABRIC NEEDS

In addition to the fabric cutting shown in this booklet, we've made **ALTERNATE CUTTING DIAGRAMS** if you prefer to get or choose your fabric block-by-block.

If you want to make a fabric substitution in just one of the blocks, or want to work scrappy and not follow the prescribed 10-fabric placement, these alternate instructions are for you! You will still need these pattern pages for the actual piecing instructions.

Simply go to my.modafabrics.com/my-favorite-color-is-moda/ and download the Block-by-Block instructions in your preferred colorway, or ask at your local fabric shop.

NOTE: The total yardage for cutting in this alternate block-by-block manner is **MORE** than the yardage listed in the following pages of this pattern. It simply was not possible to be as efficient with the fabric when pulling new fabric cuts for each block.

MY FAVORITE COLOR IS *moda*
ALTERNATE BLOCK-BY-BLOCK CUTTING DIAGRAMS
Primrose Garden Bella Solids

BLOCKS 4 & 5

FABRIC 2 - 1 FQ
-Cut (6) 3 1/2" squares, (2) for Block 4, (4) for Block 5.

FABRIC 3 - 1/2 YD
-Cut (10) 5 1/2" squares, (2) for Block 4, (8) for Block 5.

FABRIC 5 - 1 FQ
-Cut (8) 5 1/2" squares for Block 4.

FABRIC 7 - 1 FQ
-Cut (4) 5 1/2" squares for Block 4.

FABRIC 9 - 1 FB
-Cut (2) 5 1/2" squares for Block 5.

FABRIC 10 - 1 FB
-Cut (2) 3 1/2" squares for Block 5.

**We've noted a few cuts of fabric where you MUST save your scraps for later blocks. But we recommend saving all of your leftovers just in case!*

PIECING INSTRUCTIONS

Use a scant 1/4" seam allowance throughout.

Press seams open unless noted otherwise. If you prefer pressing to one side, that will work just fine but you may end up with more bulk in certain seams.

For each HST and QST in your blocks, the TRIM SIZE is listed as well as the FINISHED SIZE (size after seam allowance). An example from Block 1:

Trim to this size after piecing

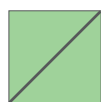

6 1/2" HST (6" FINISHED)
FABRIC 1 & 5

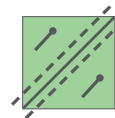

HALF SQUARE TRIANGLES (HST)

*This method creates 2-at-a-time HST. In some blocks, you will end up with an extra HST if you only need 1.

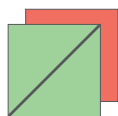

Draw a diagonal line on the WRONG SIDE of the lighter square.

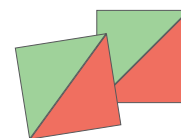

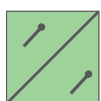

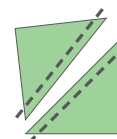

Stitch a scant 1/4" inch on either side of your marked line.

Layer your two squares RIGHT SIDE TOGETHER (RST) and pin to secure.

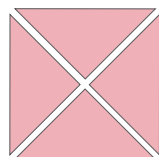

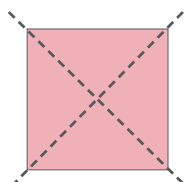

Cut into two HST along center line. Press seams open and trim to needed size.

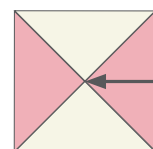

QUARTER SQUARE TRIANGLES (QST)

Cut each square into quarters on the diagonals.

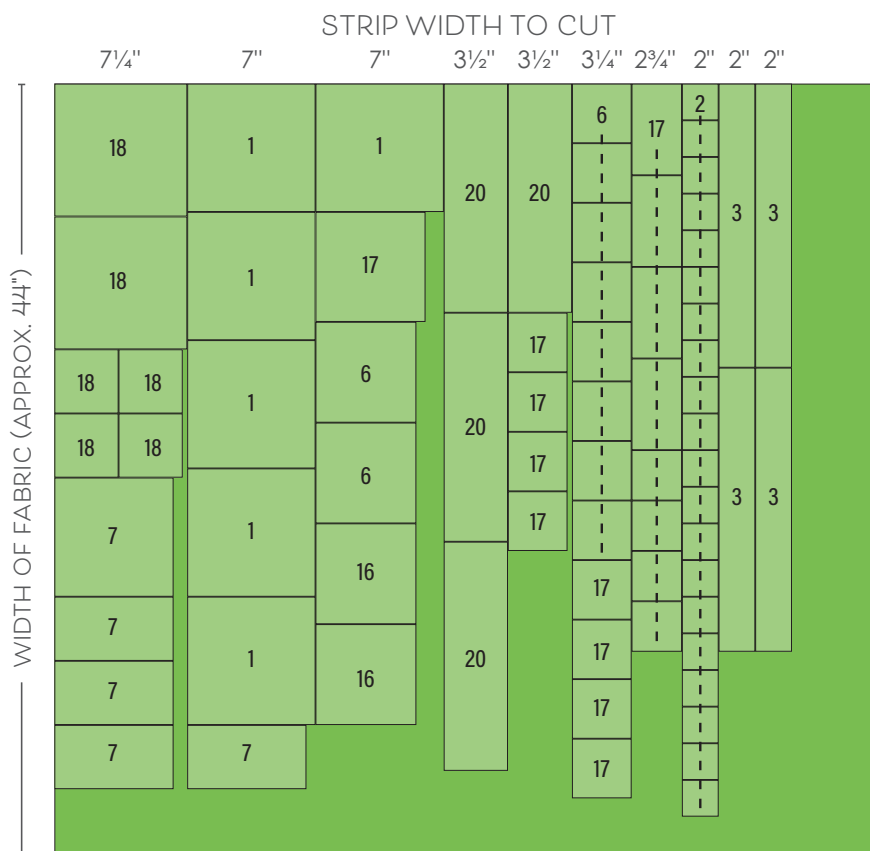

Arrange as shown in block instructions. Stitch quarter triangles together to create 1 block.

Trim each QST to the needed size, making sure the middle point is centered.

Center

FABRIC 1 CUTTING • 1 ¼ YARDS

(1) 7¼" STRIP

- Cut (2) 7¼" squares for Block 18.
- Cut (1) 7" square. Subcut into (4) 3½" squares for Block 18.

ASSEMBLE:

TO MAKE UNITS:

Mark diagonal line across
WRONG side of all 3 1/2"
squares

Pin (2) 3 1/2" squares on opposite
corners of each large square.
Note direction of the diagonal
mark.

Sew along the diagonal lines
to attach points. Then trim 1/4"
seam allowance toward the
outside of block.

Press open. Trim to 7 1/4" if
necessary before assembly.
