Cutting Requirements:

From your Jelly Roll:

- Sort strips into (10) groups of (4) strips for making strip sets.
NOTE: Make sure there is a good amount of contrast between the strips in each set.

From background fabric yardage:

- (10) 8½" x WOF strips.
 - Subcut into (40) 8½" squares.
- (8) 2½" x WOF strips for border.

From binding fabric, cut:

- (8) 2¼" x WOF strips.

Piecing, Assembly, and Finishing:

Unless specified otherwise, all seams are a scant ¼".
Arrows indicate pressing direction.

MAKE STRIP SETS

Sew together (4) Jelly Roll strips to make a strip set measuring 8½" x WOF. Repeat to make (10) strip sets.

Subcut each strip set into (4) 8½" x 8½" segments (40 total).

MAKE HSTs

Draw a line on the wrong side of each 8½" background square.

For (20) blocks, place a background square right sides together with a strip-pieced square with the strips oriented horizontally.

For the remaining (20) blocks, place a background square right sides together with a strip-pieced square with the strips oriented vertically.

For all blocks, sew ¼" on each side of the drawn line.
Cut the square apart on the line to yield two HSTs, and press the seams to the strip-pieced triangle.

Trim HSTs to 8". Repeat to make (40) horizontal HSTs and (40) vertical HSTs.

ASSEMBLE AND FINISH

Lay out blocks in (10) rows of (8) blocks, alternating the horizontal and vertical HSTs as shown, to make the quilt top measuring 60½" x 75½". Press block seams in alternate directions on each row so seams will nest as you join the rows together.

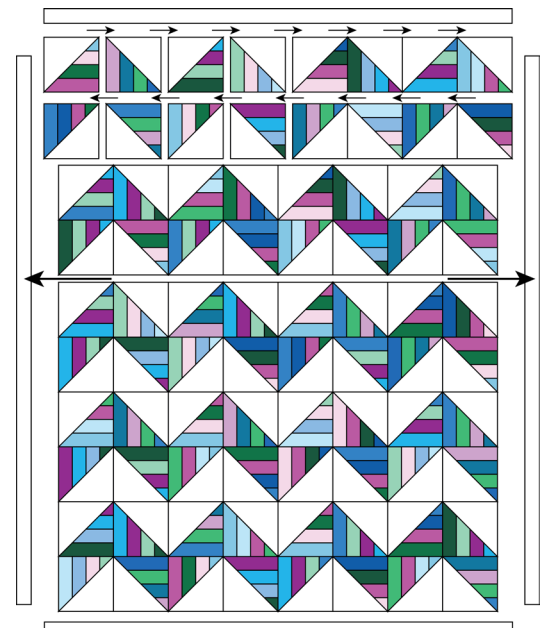

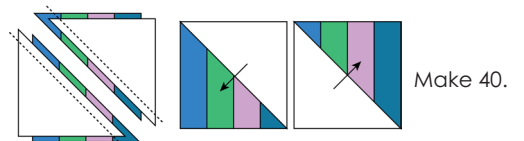

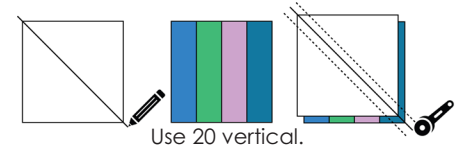

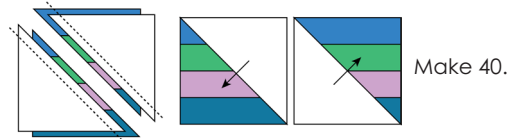

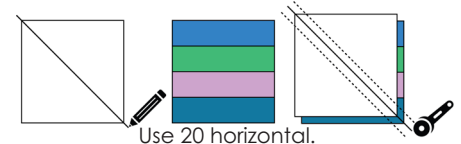

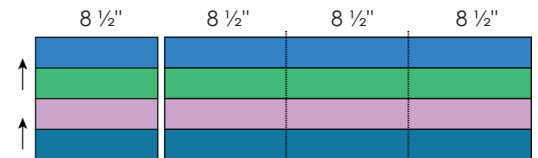

Piece border strips for length. Cut (2) 2½" x 75½" rectangles for left and right borders and join to quilt center.

Cut (2) 2½" x 64½" rectangles for top and bottom borders and join to quilt center.

Press all seams to borders.

Baste, quilt, bind, and enjoy!

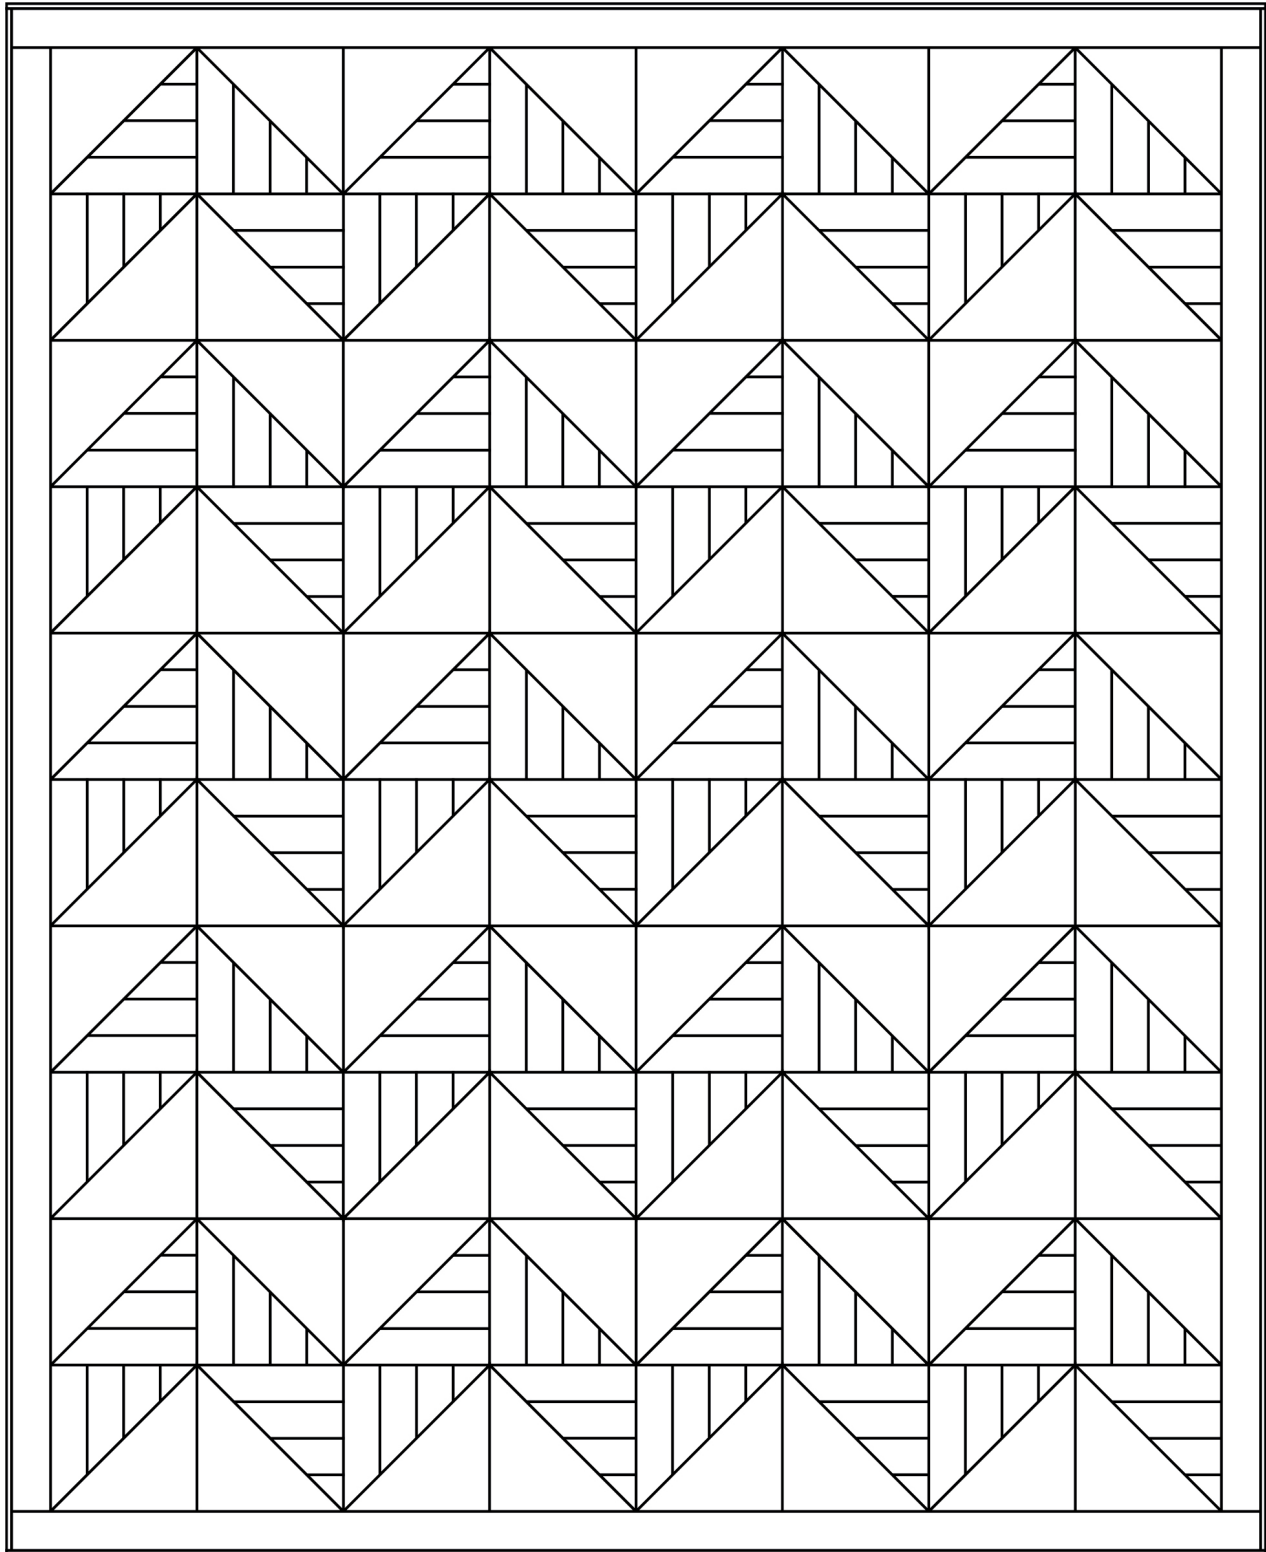

When sewing the strip sets together, press all seams in one direction.
