Assembly

1. **Horizontal Sashing Strips.** Select (2) strips - 2" x 42" wof. Using a straight or diagonal seam, join the strips to make one long strip - 2" x approx. 80". Press the seam open.

Repeat to make a total of (5) strips. Do not trim the sashing strips yet.

2. **Outer Borders.** Select (2) strips - 3 1/2" x 42" wof. Using a straight or diagonal seam, join the strips to make one long strip - 3 1/2" x approx. 80". Press the seam open.

Repeat to make a total of (4) strips. As before, do not trim the borders to size yet.

3. Lay out the (36) blocks in six rows of six blocks. Alternate the blocks with the 2" x 9 1/2" vertical sashing strips.

4. Join the blocks and sashing strips to make each row. Press the seams toward the sashing strip - away from the block.

The row will measure - 9 1/2" x 62". Measure your block rows.

5. Trim the horizontal sashing strips to - 2" x 62" - **or the length of your block row.**

6. Now join (1) horizontal sashing strip to the bottom edge of block rows 1 through 5. Press the seam to the sashing strip - away from the blocks.

Complete the center of the quilt top by joining the block rows. Press the seams to the sashing strips - away from the block rows.

The quilt top will now measure 62" x 62". Measure your quilt top.

7. Select (2) of the Outer Border strips. Trim the strips to - 3 1/2" x 62" - **or the size of your quilt top.**

Join the strips to the sides of the quilt top. Press the seams to the outer borders.

8. Trim the remaining (2) strips to - 3 1/2" x 67 1/2" - **or the size of your quilt top plus the side outer borders.**

Join the strips to the top and bottom edges of the quilt top. Press the seams to the outer borders.

Quilt and bind as desired.
