## BH4 Bonus Block 3 - Star Turn

By Lisa Bongean for Primitive Gatherings

Color/shading options.

## Piecing \& Cutting Notes:

- To trim the HTSs to size, add $1 / 8$ " to $1 / 4$ " to the A and $B$ squares. Piece and trim to $23 / 4^{\prime \prime} \times 23 / 4^{\prime \prime}$ or $15 / 8^{\prime \prime} \times 15 / 8^{\prime \prime}$.

## Cutting Instructions:

9" Finished Block:
A - (2) squares - $3^{11 / 8^{\prime \prime} \times 31 / 8^{\prime \prime}}$
412" Finished Block:
A - (2) squares - $2^{\prime \prime} \times 2^{\prime \prime}$
B - (2) squares - $31 / 8^{\prime \prime} \times 3^{1 / 8^{\prime \prime}}$
B - (2) squares $-2^{\prime \prime} \times 2^{\prime \prime}$
C - (1) square $-53 / 4^{\prime \prime} \times 53 / 4^{\prime \prime}$
C - (1) square $-31^{1 / 2^{\prime \prime} \times 31 / 2^{\prime \prime}}$
D - (4) squares - $31 / 8^{\prime \prime} \times 31 / 8^{\prime \prime}$
D - (4) squares - $2^{\prime \prime} \times 2^{\prime \prime}$
E - (5) squares $-1 \frac{1}{4} 4^{\prime \prime} \times 11 / 4^{\prime \prime}$
F - (4) squares - $114^{\prime \prime} \times 11 / 4^{\prime \prime}$

## All seams are a scant $1 / 4$ " unless specified otherwise.

## Assembly

1. On the wrong side of the $A$ and $D$ squares, draw a line from one corner to the opposing corner - or use Diagonal Seam Tape as a guide.

2. With right sides together, align the $A$ squares with the B squares as shown. Stitch a scant $1 / 4^{\prime \prime}$ on both sides of the line. Cut the square apart on the drawn line. Trim seam to $1 / 4^{\prime \prime}$ and press the seam to the triangle.

The HTSs will measure $23 / 4^{\prime \prime} \times 23 / 4^{\prime \prime}$ or $15 / /^{\prime \prime} \times 15 / 8^{\prime \prime}$.

3. Using the $C$ square and the (4) $D$ squares, make the flying geese units per the instructions on the General Techniques.

The geese will measure $23 / 4^{\prime \prime} \times 5^{\prime \prime}$ or $15 / 8^{\prime \prime} \times 23 / 4^{\prime \prime}$.

Join the Moda Block Heads Facebook group
for more info
and updates!
4. Lay out the E and F squares as shown. Join the squares to make three rows. Press the seams to the E squares - or press them open.

Join the three rows to complete the block. Press the seams away from the center row - or press them open.

The nine-path will measure $5^{\prime \prime} \times 5$ " or $23 / 4^{\prime \prime} \times 23 / 4^{\prime \prime}$.
5. Lay out the pieces as shown.

6. Join the units to make three rows. Press the seams in the direction of the arrows - or press them open.

7. Join the rows to complete the block. Press the seams in the direction of the arrows - or press them open.

- 9 " block - block will measure $91 / 2^{\prime \prime} \times 9^{1 / 2 \prime 2}$.
- $41 / 2^{\prime \prime}$ block - block will measure $5^{\prime \prime} \times 5^{\prime \prime}$.
