Piecing Instructions

Step 1

On the wrong side of each A square, draw a line from one corner to the opposing corner as shown.

Place A and B squares right sides together. Stitch a scant $\frac{1}{4}$ " seam on both sides of the drawn line. Cut the square apart on the line to yield two HSTs, and press the seams to the darker triangles (B).

Repeat to make 8 A/B HSTs. Trim HSTs to $1\frac{1}{2}$ " (6" block) or $2\frac{1}{2}$ " (12" block).

Step 2

Lay out 2 C squares and 2 A/B HSTs as shown. Sew together to make an A/B/C corner unit.

Repeat to make 4 corner units measuring $2\frac{1}{2}$ " (6" block) or $4\frac{1}{2}$ " (12" block).

Step 3

On the wrong side of each D square, draw a line from one corner to the opposing corner as shown.

With right sides together, align 2 D squares in opposite corners of the E square as shown.

Stitch a scant $\frac{1}{4}$ " seam on both sides of the drawn line.

Cut the square apart on the line to yield 2 partial flying geese units, and press the seams to the D triangles.

With right sides together, align another D square in the corner of the E triangle as shown.

Stitch a scant $\frac{1}{4}$ " seam on both sides of the drawn line. Cut the square apart on the line to yield 2 complete flying geese units, and press the seams to the D triangles.

Repeat to make 4 D/E flying geese units. Trim to $1\frac{1}{2}$ " x $2\frac{1}{2}$ " (6" block) or $2\frac{1}{2}$ " x $4\frac{1}{2}$ " (12" block).

Get to know Stephanie...

I know the stars have aligned when...
Coffee is hot, iPad is charged for drawing, and the creative juices are flowing.

If I could wish on a star, I'd wish for...
Ooooh, more land and farm animals!

I thank my lucky stars that...
I get to design for Moda. Every collection release has me pinching myself to make sure I'm not dreaming!

Star Trek, Star Wars, or Dancing With the Stars?
Star Wars. (Not so much for myself, but my husband grew up on it and has shared the love with our boys.)
