Second Star

by Jackie MacDonald of Sweetfire Road

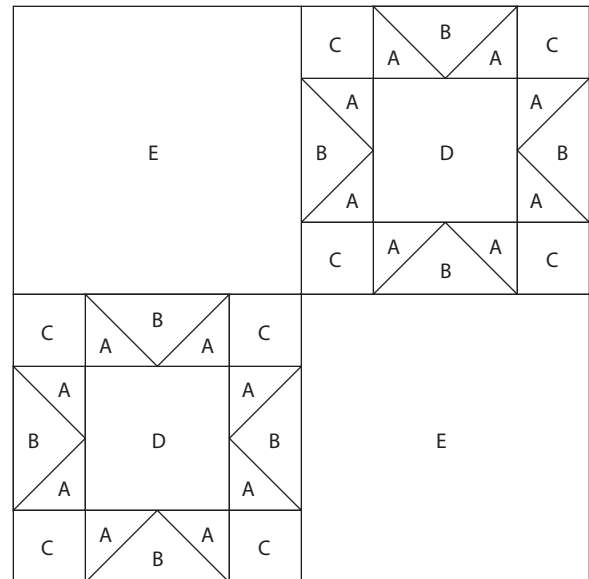

This "Second Star" block was created in loving memory of my adventurous, fun-loving, beautiful niece, Hannah. She loved the movie Peter Pan... So I designed "Second Star" in her honor with the hope that you live each day with endless adventure in your heart and never, ever grow up.

Piecing Instructions

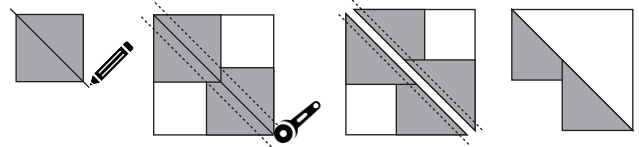

Step 1

On the wrong side of each A square, draw a line from one corner to the opposing corner as shown.

With right sides together, align 2 A squares in opposite corners of the B square.

Stitch a scant $\frac{1}{4}$ " seam on both sides of the drawn line.

Cut the square apart on the line to yield 2 partial flying geese units, and press the seams to the A triangles.

4 A squares + 1 B square
= 4 A/B flying geese
Make 8.

With right sides together, align another A square in the corner of the B triangle as shown.

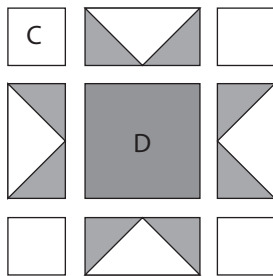

Stitch a scant $\frac{1}{4}$ " seam on both sides of the drawn line. Cut the square apart on the line to yield 2 complete flying geese units, and press the seams to the A triangles.

Repeat to make 8 A/B flying geese units. Trim to $1\frac{1}{4}$ " x 2" (6" block) or 2" x $3\frac{1}{2}$ " (12" block).

Step 2

Lay out the C squares, A/B flying geese, and the D square as shown. Join units to make the sawtooth star units. Make 2.

Trim each star to $3\frac{1}{2}$ " (6" block) or $6\frac{1}{2}$ " (12" block).

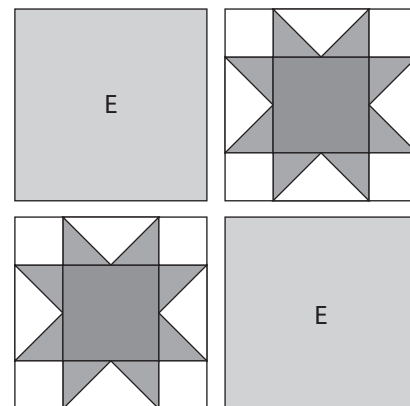

Make 2.

Step 3

Lay out the E squares and the sawtooth stars as shown.

Join units to make the full block.

Trim to $6\frac{1}{2}$ " or $12\frac{1}{2}$ ".

Get to know Jackie...

I know the stars have aligned when...
The sun is shining, the art is flowing, and the coffee tastes like magic!

I'd be totally star-struck if I could meet...
I'm easily star-struck, but Dolly Parton would make my heart explode. She's done so much for kids and is a sparkly force to be reckoned with!

If I could wish on a star, I'd wish for...
Everyone to live with childlike enthusiasm and love one another unconditionally.

Star Trek, Star Wars, or Dancing With the Stars?
Star Wars...I simply adored Carrie Fisher, I love Mark Hamill...and isn't any excuse to hang out with Harrison Ford a good idea?

I thank my lucky stars that...
I get to dream in patterns and color for a living... and I have a wonderful family who supports me wholeheartedly in my creative endeavors.
