Create a Cozy Christmas Eve with Vanessa Goertzen of Lella Boutique

The memories and charm of the holiday season are all wrapped up in Vanessa Goertzen's newest line of fabric, Christmas Eve. "No matter how old you are, Christmas is a magical time of year," she says.

Christmas Eve is Vanessa's third line of holiday fabric and its dreamy blooms, winter botanicals, and dot print echo her beloved Christmas Morning fabrics. "This time around I've added plaids and tiny wreaths," she says. "This collection will blend beautifully with Christmas Morning. Of course, there is a new whole-cloth holiday panel that might be my favorite one yet!"

Inspiration for Christmas Eve comes from Vanessa's own life: the holiday was always important to her family because December 25 is also her mom's birthday. Vanessa remembers opening presents on Christmas morning and then having a big dinner and birthday party to celebrate her mom that evening. "We didn't have a lot of money when I was growing up, but mom always made the holidays so special," says Vanessa. "I try to create the same magic with my kids—we make gingerbread cookies and houses, decorate all the beds with Christmas quilts, and wear snuggly pj's any chance we get. We love reading Christmas books before bed—a big favorite is *The Tale of Three Trees*."

Photo by @captured.by.chanelle

It Runs In the Family

Those family connections influence Vanessa's design and love of quilting. With a home less than an hour from Zion National Park she and her nine-year-old son and pre-teen daughter enjoy splashing in the rivers and hiking the trails there. These outdoor adventures provide inspiration for many elements in Vanessa's collections. And while Zion's desert landscape of red rock and black lava formations may not be a traditional Christmas backdrop, Vanessa points out "That's the wonderful thing about quilting—no matter where you live, you can stitch up the snowflakes, wreaths, and holly berries and bring any classic holiday elements into your home."

Another familial quilting inspiration is Vanessa's mother, who designed patterns and fabric during Vanessa's growing up years. She taught Vanessa to sew, and together they created samples for Quilt Market. Now things have come full circle as Vanessa occasionally calls her mom when she's in a quilt-sewing pinch and the pair work together to stitch Lella Boutique's latest patterns. (The name Lella Boutique hearkens to a dress Vanessa wore as a toddler when she would imagine herself as Cinderella and play for hours. "I wanted to make that cheeriness from my childhood a focal point for my business," she says.)

Santas and Reindeer and Presents...Oh My!

Speaking of patterns, this group might be Vanessa's all-time favorite. "This line is a delight to design with," she says. "I went

overboard and I'm so pleased with the results!" Quilts in multiple colorways feature whimsical Santas, reindeer, wreaths, smartly wrapped presents, plaids, and stars that conjure holiday cheer and provide a festive showcase for Christmas Eve fabrics.

Designing fabrics for Moda (this is her 19th line) brings Vanessa great pleasure, at the holidays and all year round. "Quilting came at a time in my life when I needed it. The act of creation brings so much joy," she says. "That's something all quilters can relate to. I feel super-privileged to be able share a piece of my heart with the world through this medium."

Christmas Eve

Lella Boutique

Presents are wrapped, greenery is hung, and night begins to fall. There is excitement in the air - Christmas will be here soon! A fire is crackling, and the smell of spicy wassail and freshly baked gingerbread fills the house. It's the perfect time to snuggle up in a handmade quilt and gather around the piano for a few Christmas carols. When it's time for bed, the stockings will be hung on the mantel - waiting to be filled with treats and trinkets. Oh how wonderful it is to feel the spirit of magic that abounds at Christmastime. The Christmas Eve collection embodies hope, peace, and joy. Fall in love with its dreamy blooms, winter botanicals, dainty wreaths, pine sprigs, and plaids.

COMFORT AND JOY

CREATE *joy* PROJECT

Comfort & Joy is a warm and happy fabric collection celebrating the holiday season! You'll find a bright, modern color palette featuring pink & lime green poinsettias, red roses, holly berries, cobalt blue botanicals, green foliage and soft blue spruce pine boughs that make for a playful Christmas collection! All the fabrics together feel like the ultimate Christmas party! I love the color scheme in Comfort & Joy, because it brings in some non-traditional colors to the mix, while still hitting home with the reds and greens! I hope you'll feel inspired to create some unique and lovely Christmas trimmings and of course QUILTS with this collection. We brought back the well loved pine trees from Starflower Christmas by popular demand as a special treat!

The Comfort & Joy panel is a beautiful focal print that shares a personal favorite holiday sentiment, "Good Tidings of Comfort and Joy" surrounded by a lush floral wreath that compliments each piece of this fabric collection.

One of my favorite prints is the hand lettered design called "Holiday Feels" bedecked in Christmas words and feelings that make me excited to SEW ALL THE GIFTS!!!

Sugarberry

by Bunny Hill Designs

Who knew a dessert could inspire a fabric name?

I make a dessert on Christmas Eve I call Sugarberry Crisp, and it's a family favorite. It's easy to make, filled with assorted berries, baked in the oven, and served hot over vanilla ice cream. It's a perfect blend of ingredients.

Sugarberry is my newest fabric line for Moda. It's filled with a perfect blend of prints in my favorite shades of red, pink, cream, taupe, and stone. Mix them together, and you can make some delicious quilts.

Sugarberry is a fabric line that will take you through almost any season, but I love Christmas and hope you do too!

GOOD NEWS Great JOY

Fancy That DESIGN HOUSE

So many traditions surround the Christmas season - and for our family, it is all about the good news that we celebrate. Good News Great Joy incorporates scripture, pointing us to the reason we are filled with hope and joy.

Gather around with us and grab a hot cocoa. We pile on the couch and read through verses that help us slow down and remind us of the reason for the season. You'll find some of these incorporated into the Good News Great Joy panel. The panel prints are perfect for seasonal pillow projects. The collection prints are filled with winter elements from nature like pinecones, birds, poinsettias and winter wonderland trees. Tie it all together with blenders of plaids and snowflakes and fully take in the Good News & Great Joy.

RUSTIC GATHERINGS

By: Primitive Gatherings

Inspired by one of my favorite things... rust. Rustic Gatherings has that late Fall feel to it...I love rusted old cars and trucks used as flower pots, salvaging old rusted galvanized sheets to use as accent wall coverings or to line the back of a new cupboard, making new items out of old salvaged pieces....the rustier the better. These 10 beautiful prints have all been discovered from our antique quilts and have been recycled into modern quilt treasures!

Spellbound

Sweetfire Road

Deep in the woods, amidst a bramble of moonflowers and behind a large ornate gate, lives a very good witch. Under the glow of the moon and with the help of her black cat, she uses her magic to craft up treats of spicy cider, pumpkin tarts, and caramel apples. Her talent is knowing your favorite, so sit a spell in the pumpkin patch as she conjures up an enchanting treat just for you. Dizzy with the delights of the Halloween season, you find yourself Spellbound.
