

SAMPLER SPREE QAL - WEEK 10

Make these last blocks and you're finished. You've made 106 sampler blocks in an assortment of evenly distributed colors. You'll only need 100 blocks for the Give And Take setting in the book, so you can make more for a bigger quilt, include the leftover blocks in your backing, or use them to make a table runner, a wall hanging or pillows.

Orange!

Here are the Week 10 blocks.

The last ten blocks are:

- #9 - Tussy Mussy
- #11 - Lacy Lattice Work
- #26 - Gift Box
- #45 - Courthouse Steps
- #53 - Cheyenne
- #57 - Checkers
- #61 - Maple Star
- #70 - Spinning Tops
- #74 - Nine-Patch Star
- #77 - Thrifty

Yana Garing.

Valerie Laha House.

Chris Aliseo.

When I saw Chris' blocks, I knew I wanted to share them here. I never did figure out why Facebook was "automatically declining" some posts, but Chris had several that were removed. I restored them as soon as I saw the notification. In all the weeks, Chris never complained, or even questioned why it was happening. She just kept making beautiful blocks and sharing them.

Wake Up. Be Kind. Be Amazing. Be Grateful. Repeat.

I

n my book, that's Chris.

And we have a finish.

Donna Strum.

The light blue and white sashing is a perfect addition to these happy, colorful blocks.

Are you close to finishing?

Close or not, I hope you're enjoying the Sampler Spree quilt, and Susan's wonderful process for these blocks.
