SAMPLER SPREE QAL - WEEK 8

Mocha. Sand. Khaki. Fawn. Wheat. Latte. So many lucious shades of brown and tan.

It's Week 8 and we're on the homestretch. If you've kept up, you have made seventy-five blocks. (WOW!)

The color this week is tans, browns and all the shades in between.

Here are the Week 8 blocks.

They are:

#10 - Squash Blossom

#15 - Jacksonville Square

#21 - Our Editor

#28 - Prayer Meeting

#36 - Farm Friendliness

#47 - Anvil

#54 - All Roads Point To Home

#83 - Basket

#89 - Equinox

#92 - Geese & Goslings

As always, there is a Sampler Spree video from our friends at Martingale.

And there is an alternate setting to share.
