

# SAMPLER SPREE QAL - WEEK 9

Eight weeks are in the books. And now we're on the penultimate week. Grays and Black.

Can I tell you a secret? I continue to be surprised by how a completely random group of fabrics can look so good. Every week, I think... this isn't going to work. And then it does. It's why I love scrap quilts.

Here are the Week 9 blocks.

There are eleven blocks this week:

- #7 - Fan Blades
- #13 - The Kitchen Woodbox
- #25 - Dandy
- #38 - Summer Solstice
- #44 - Winter Panes
- #51 - Whirligig
- #52 - Wheels
- #60 - Market Square
- #66 - King's Crown
- #79 - Double Plain
- #104 - Roman Stripes

Another secret. When we started this, I wasn't sure how many quilters would be all-in for making as many as twelve blocks a week. Or the color theme. But by Week 3, y'all had convinced me that you were enjoying this. Is it because the approach was different?

Here are some of the blocks that have been shared on Instagram.
