

# NEW DESIGNER!

# Gratitude

by Jo Morton

**W**hile I've not sewn with much blue in the 35 years I've been making quilts, it seems that I've become quite smitten with teal in recent years. I love how this new "Jo" color plays with my favorite reds and browns, and of course with my "toasty" neutrals. At first glance, it might not look like "Jo" but once you mix it all up, you'll see that it really is me.
