

# ZOOLOGY BY GINGERBER

IT'S A JUNGLE OUTTHERE

Zoology is a colorful menagerie of Gingerber's sweetest creatures. From sloths to llamas, and flamingos to koalas, these friendly animals adorn panels that will make the perfect centerpieces for any sewing projects. The coordinating fabrics are made to play oh-so-nicely with each other and create a visual delight!

Moda Fabrics + Gingerber have partnered to donate a portion of the Zoology sales to support the displaced animals injured by the Australian bush fires. With every purchase of Zoology, you will be lending a helping hand to the koalas and other animals native to Australia. Donations will be made to Wires Wildlife Rescue.
