

# PICK ME!

ME and MY *sister* DESIGNS

If you love flowers ... Pick ME  
 If you love color ... Pick ME!  
 If you love fun ... Pick ME!

Our newest collection is packed to the brim with fresh flowers, color and FUN! I've always been a fan of saturated color. Especially acid green! There was a time when that bold color dominated my stash. Today it's more of a variety of colors but I still love my green. To be honest, I think everything looks better with a little green. So there isn't a better color to pair with fresh flowers! Hope that you enjoy our newest collection of flowers and coordinates ... and especially the ones that include GREEN!
