

New Designer!

Potted

BY KILEY'S QUILT ROOM

Potted has a special place in my heart. Not only is it my first ever fabric line, but it combines two of my passions: house plants and quilting! This line features soft, muted colors and clean, minimalist designs- bringing the beauty of houseplants to your quilting projects. Each print is inspired by the delicate leaves, blooms, and textures of some of my indoor plant favorites. Perfect for creating quilts, home décor, or accessories that exude calm and connection to nature, Potted invites you to sew your own little indoor oasis!
