

SERENA SHORES

ROBIN  PICKENS

Let's get away to the shore and breathe the fresh air, gather shells, and walk along the beach. Serena Shores celebrates the seaweed washed upon the sand and sand dollars and starfish mixed with lacy coral. My coastal happy place has lovely white and blue Agapanthus, also called Lily of the Nile. The flowers grow tall and bloom in a grand globe, making big lacy spheres of trumpet-like petals.

Serena Shores has new Thatched shades of Coastal, Breeze, Frost, Aqua, Surf, and Lime which join the existing Lagoon deep green for the calming palette. Coordinates to the Agapanthus main flowers include sketchy shells, beachcomber treasures, linked rings, seaweed strands, and a delicate paisley.
