

# SHORELINE

by camille ros Kelley

Live in the sunshine, swim the sea,  
drink the wild air. - Ralph Waldo Emerson

*"Take me to the ocean. Let me sail the open sea. To breathe the warm and salty air and dream of things to be."*  
-Erica Billups

I never miss a chance to visit the ocean. Standing at the edge of the water with my toes in the sand, breathing in the salty air and listening to the waves break somehow makes me feel whole again.

In this collection, all of my favorite coastal blues and greens and a soft sandy gray come together in vintage florals, plaids and stripes to create a reminder of those beautiful moments on the shoreline.
