★ SEASONAL FLOWER TOWELING ★

STACY IEST HSU

What better way to celebrate the seasons than with seasonal floral tea towels by the yard. Retro style flowers and colors make this toweling perfect for your next project. Toweling by the yard is great for small projects like tea towels, pillows, and potholders, to larger projects like totes, table runners, and curtain valances. With two edges already sewn, projects can be made in a jiffy.

Add a little Spring, Summer, Fall or Winter to your next toweling project!
