When our first granddaughter, Effie, was born, her nursery theme was bunnies. Friendly, sweet bunnies. I painted a few watercolors for her room, and that inspired me to create this cozy collection.

Effie’s Woods are filled with kind, clever, curious animals, as well as ferns, mushrooms, and berries. The colors are soft, and gender-neutral - and the watercolor feel of the artwork is perfect for a cherished little one. Creating a project with this woodland theme, Effie’s Woods will tell the receiver that “You Are Loved.”
