SW P293 Love Lives Here 75" x 75"

Valentine's Day is perfectly timed for February. Christmas is over, and Spring is still weeks away, maybe even months away. February needs a highlight, and Valentine's Day is definitely the star of the show.

We designed "Flirt" to celebrate everything "love" in the heart of winter. Of course, this collection centers around our favorite shade of red. We don't think there is anything more beautiful than a red and white quilt - any time of the year. The simple, sweet prints in Flirt make those red and white quilts even more irresistible.
