★ Sweetwater

Summer is our favorite season. We know... the Colorado landscape is awash in beautiful color in the fall, and the weather is perfect. There's also nothing like a foot of winter snow on Christmas. And everything is new again in the spring. But summer, with its hot days and cold lemonade has always been the time we love best.

It might be the Fourth of July that makes summer so special. **Freedom** celebrates everything we love about summer – we think Independence Day is the best holiday of the year. We love everything Red, White and Blue, and we put our special spin on the color palette with a little Khaki mixed in. As always, we've put text into some of the prints, from the states in "United" to the pledge in "Alliance". That one has special meaning to us.
