

HARVEST MOON

Kansas Troubles

Sweatshirt days exploring in the woods, crisp evenings cooking hot dogs and marshmallows over an open fire, cuddling on the porch with a cozy quilt listening to the crickets and bullfrogs – it's no wonder fall is my favorite time of year! I love nature's palette of warm browns, pumpkins, greens, golds and deep reds of the turning leaves, fuzzy cattails and beautiful sunsets. Along with my quirky passion for acorns – whether carved wooden bookends, thimble holders or folk art fabric-stuffed versions with real twigs for stems – these fabrics and projects fit my life and home perfectly. I hope you enjoy them, too.
