

# Looking Forward

JEN  
KINGWELL  
DESIGNS

A year ago, I was looking forward to moving my home and shop from Melbourne to Torquay Beach. I must have had the beach in mind when I named the prints Flip Flops and Rockpools, Sea Spray and Sunday Picnic. The colors are beach-bright, 1960s mod – shades of green, gold, pink, blue and purple. I hope you are looking forward to using my newest fabric line. –Jen Kingwell
