

Tend the Earth Deb Strain

This is a collection of items that make a garden beautiful – architectural pieces, antique watering cans and beeskeps. Of course seeing butterflies, dragonflies and colorful birds add to the allure of nature's perfect setting. Flowers of every kind bring color, color, and more COLOR! Blues, greens and purples portray the calm, peaceful feeling of a garden with accents of red and yellow adding excitement and wonder. Nature's palette can be seen in every part of a beautiful garden
