DLL 153 Flowers For Mary
68" x 82"

Cosy up with a collection of our favorite designs from the past! Barb and I both love the look and feel of everything cross stitched and quilted. The blend of both reminds us when the work of our hands decorated our homes, and was reflective of our creative spirit. Those two passions, plus our deep friendship, is the thread that binds us together.

You'll notice the antique feel of our cross stitch prints has been updated and energized with a splash of our large scale floral prints, small vines, and a smattering of geometric accents. You'll find this fabric adds the perfect tactile touch to your next quilted project!
