

Through the Winter Woods

Holly Taylor

“Over the river and through the woods.”

That melody was the inspiration for this group. Our thoughts wandered back to a time when you would nestle into a wagon, cover yourself with quilts and start on a holiday journey. The horses would be snorting so you could see their breath in the cold crisp pine scented air as you crossed over the creek and into the woods. We could just feel ourselves on that journey... on our way to deliver wonderful handmade gifts to family and neighbors.
