CANDY PAPER PIECED BLOCK

Make a sweet foundation paper pieced block inspired by Ruby Star Society's new collection Eye Candy!

This 8 inch block would be a wonderful addition to your small projects - whether you incorporate it into a patchwork duffle or handbag, use it as a fun detailed pocket on your favorite tote pattern, or add it to the back of a jacket - you can't go wrong.

You can also find this FPP sheet in our free patterns section on the Moda website, so you can make as many as you want for a larger project - it'd make the sweetest throw quilt!
