Underdog

Block 1

PRESENTS Underdog

Block 1

1. Both small and large flying geese units are needed to create this block. Begin large flying geese unit assembly by placing (1) B triangle on either side of (1) C triangle as shown.

2. Sew the B triangles to the C triangle one at a time using a scant ¼” seam. Press toward the corners.

3. Trim large flying geese units to measure 3 ½” x 6 ½” unfinished. Repeat to make (4) identical large flying geese units.

4. Repeat flying geese unit assembly techniques to make small flying geese units. Gather (8) E triangles and (4) F triangles to make (4) identical small flying geese units measuring 2” x 3 ½” unfinished.
5. Complete the block center star using (4) small flying geese units, (4) D squares and (1) G square. For all seams, press to the plain squares and away from the flying geese units.

6. Once complete, the block center star should measure 6 ½” x 6 ½” unfinished.

7. Complete the block using the block center star, (4) large flying geese units and (4) A squares. Sew together in rows. For all seams, press toward the block center star and the A squares.

8. Sew rows together to complete the block. Block should measure 12 ½” x 12 ½” unfinished.

Be sure to share your block and progress online!
