

# HOW TO Bake a Quilt

Using Cake Mix & Cupcake Mix  
Recipe Papers

# Cake Mix - The Essentials

**What is a Cake Mix?** It's a triangle paper designed to make specific blocks – including some of those shown on the front cover of each Recipe pad. Depending on the Recipe, one stitched recipe card will make ½ a block, 1 complete block or 2 blocks. The Cake Mixes are not quilt patterns but instructions for the quilts we've made can be found on the Moda Fabrics website – <http://blog.modafabrics.com/cakemix/>.

---

## How many Recipes are there?

- There are 12 Cake Mix Recipes designed to be used with 10" x 10" Layer Cake squares.
- There are 4 Cupcake Mix Recipes designed to be used with 5" x 5" Charm squares.

## What's in the pad?

- Front Cover – the size of the finished pieces, how many there are and block options.
- Inside Cover – the essential tips for stitching the recipe cards and a block setting reference.
- Each pad has 44 sheets or Recipe Cards – all 44 sheets are the same.

## Fabric preparation.

- Use the fabric squares right out of the package.
- Do not starch fabrics as some recipe cards have only ⅛" clearance on the four sides.

## Preparing to stitch.

- Layer two squares right sides together aligning the edges closely.
- Place the layered squares with the lighter square on the top.
- Line up the edge of the paper with the outside point of the pinked edges.
- Use pins to secure the three layers for stitching. Do not use glue or glue basting.
- Do not pin across stitching lines.
- Shorten the stitch length to 12 to 14 stitches or a machine setting of 1.75 to 2.
- 50 wt. thread is recommended with the appropriate needle.

## Stitching the recipe card.

- Stitch on the dotted line. If the stitching veers off the line, re-stitch that portion on the line. If the stitches are in the seam allowance, they do not need to be removed. If they are in the triangle or square, the stitches will need to be removed.
- Starting at the star and stitching in the direction of the arrows and numbers will maximize continuous stitching.
- Make sure all the dotted lines have been stitched before cutting.
- Use a rotary cutter and ruler to cut the recipe card apart.
- As always, use a sharp blade and change the blade if it feels like it is getting dull.
- Align the lines of the ruler to lines on the recipe card to keep the ruler straight.
- Make the long cuts first – beware of lines that do not go all the way across the recipe card.

## Finishing up – pressing and papers.

- Do not press with steam – unless you have prepped your squares before stitching.
- Place your thumbnail right on the seam in the middle of the piece. Tear the paper up – and away. It will often come off in one piece. Sweep your nail back to remove the strip in the seam allowance.
- Trim the corners – it has to be done.
- The recipe cards have been printed with a heat-process that makes the ink permanent – and smear-proof.

## Piecing the Blocks.

- All seams for block assembly are a scant ¼".
- For recipe cards that make two blocks, the blocks do not have to be the same.

# Cake Mix<sup>®</sup> Recipe

## What is a Moda Cake Mix?

Baking a cake can be a complicated process. So can making a quilt. But what if you only needed a few ingredients?

With just 1 or 2 Moda Layer Cakes + 1 Cake Mix pad of papers, you have everything you need to make a quilt because each pad includes block and setting options.

Cake Mix Recipe 4 is shown - it makes 8 half-triangle squares that finish at 3¾" or 4".

## Layer

With right sides together and the lightest fabric on top, layer two squares with a recipe card.

## Pin & Stitch

Pin the layers to secure. Starting at the Star, stitch on the dotted line with a small stitch.

## Trim

With the ruler placed on the solid line, trim the outside edges of the recipe card.

## Cut 1

With the ruler placed on the solid lines, cut the recipe card to make four squares.

## Cut 2

With the ruler placed on the solid lines, now cut the each square apart to make triangles.

## Press

Before removing the paper, press the seams toward the darker triangle.

## Remove Paper & Trim

Carefully remove the paper from the pressed HTS and trim the corner triangles.

# CAKE & CUPCAKE MIX RECIPES

(Foundation Paper Piecing)

**What is a Moda Cake Mix?** It's a recipe for block parts that makes baking a Layer Cake quilt easier than ever. This unique triangle paper is designed to work in conjunction with Moda's 10" square Layer Cakes. There are also Cupcake Mixes for the 5" Charm Packs!

Each tablet has 44 sheets – one for each layer in a Layer Cake or Charm Square – and a couple of extras for practice. Each pad also includes a few simple block and layout ideas – just add 1 or 2 Moda Layer Cakes or Charm Packs and you're ready to start stitching. There are twelve different Cake Mixes and four different Cupcake Mixes available... [Check the Moda Fabrics website for free Cake Mix recipes like this one.](#)
