1 What you'll need:

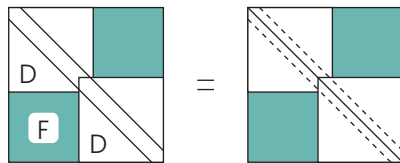

- ✳ D: 132; 12 of each print
- ✳ F: 33; 1 of each print

A. On the wrong side of D squares, place the Omnigrd Trio with the middle line positioned in the corners as shown. With a Sewline™ marking pencil, draw a line on each side of the Omnigrd Trio.

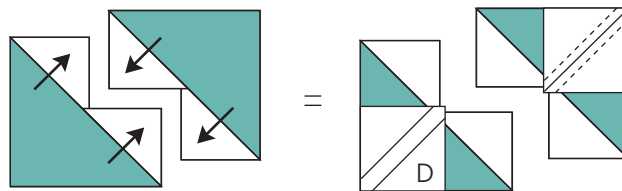

Mark 132 squares

B. Place one marked D square RST in the Upper Left corner, and another marked D square of the same print RST in the Lower Right corner of one F square. Stitch on the drawn lines. Stitch 33; 1 of each print.

Stitch 33; 1 of each print

C. Cut the sewn units from Step 1B from corner-to-corner between the stitching lines. Press towards the D triangles. Place another marked D square of the same print RST in the corner of the large triangle. Sew on the drawn lines. Cut the sewn units from corner-to-corner between the stitching lines. Press towards D triangles. Make 132; 4 of each print.

D. Trim all units from Step 1C to 4½" x 2½". Make 132; 4 of each print. Unit A.
