

# Christmas in Europe

The book features 13 beautifully designed blocks, included in the *Christmas in Europe Quilt*, along with 4 bonus projects that offer even more creative inspiration than the original Block-of-the-Month program. Each quilt block is paired with a rich backstory, immersing you in the unique cultural histories of Christmas across Europe. Beyond quilting patterns, you'll also discover a number of delicious European holiday recipes, making this book a delightful blend of quilting and Christmas tradition—a great coffee table companion! Whether you're quilting or indulging in festive recipes, this book invites you to explore the heart of European holiday traditions, both in stitches and in stories.
