

EASY

Hi! This is Kristina Brinkerhoff from [Center Street Quilts](#) and I'm excited to share a Valentine's Day project with you today: Jelly Roll Hearts Table Runner! I enjoy working on holiday projects, but it's often hard for me to start and finish a whole quilt before the intended holiday arrives. That's why I absolutely love smaller holiday projects like table runners! This Jelly Roll Hearts Table Runner goes together so quickly that you'll have no problem finishing it before Valentine's Day. And make sure you read through to the very end to find out how you can win some of the fun Sweetwater Project Red fabric that I used to make my table runner! This table runner finishes at 62" x 14".

Cutting Instructions:

Choose seven (7) jelly roll strips (2.5" x WOF) for the hearts.

- Subcut (5) of the jelly roll strips into (4) 2.5" x 10.5" pieces each, for a total of (20) 2.5" x 10.5" pieces.
- Subcut the remaining (2) jelly roll strips into (10) 2.5" x 5.5" pieces total.

Choose one jelly roll strip for the cornerstones of the sashing.

- Subcut the cornerstone jelly roll strip into (12) 2.5" x 2.5" squares.

From the background fabric, cut (2) 5.5" x WOF strips.

- Subcut into (10) 5.5" x 5.5" squares.
- From the remaining fabric, cut (20) 2.5" x 2.5" squares.

From the background fabric, cut (4) 2.5" x WOF strips for the sashing. (Note: if you'd like a scrappy sashing, you can use jelly roll strips for the sashing instead of using the background fabric).

- Subcut into (4) 2.5" x 10.5" pieces each to yield (16) 2.5" x 10.5" sashing pieces.

Cut the binding into (4) 2.5" x WOF strips.

After cutting, you should end up with the following pieces:

You can save the trimmed corner pieces from the heart for another project. The photo below shows those extra pieces.

14. Sew the hearts in a row, with a 2.5" x 10.5" background sashing piece inbetween each heart and at the beginning and end of the row.

15. Sew the remaining (10) 2.5" x 10.5" background sashing pieces into two strips, with a 2.5" x 2.5" cornerstone square inbetween each sashing piece and at the beginning and end of the strip.

16. Attach top and bottom sashing strips to heart row. Completed table runner top should measure 14.5" tall and 62.5" wide.

Cut the 1 yard backing piece into (2) identical 18" x WOF pieces and sew the two pieces together along the 18" ends. Quilt and bind as desired.
